HOUSTON, Texas, September 19, 2023 – PNC Bank, National Association, as the trustee (the “Trustee”) of the San Juan Basin Royalty Trust (the “Trust”) (NYSE: SJT), today declared a monthly cash distribution to the holders (the “Unit Holders”) of its units of beneficial interest (the “Units”) of \$2,507,212.89 or \$0.053793 per Unit, based primarily upon the reported production of the Trust’s subject interests (the “Subject Interests”) during the month of July 2023. Production from the Subject Interests continues to be gathered, processed, and sold under market sensitive and customary agreements, as recommended for approval by the Trust’s Consultant. The Trustee continues to engage with Hilcorp regarding its ongoing accounting and reporting to the Trust, and the Trust’s third-party compliance auditors continue to audit payments made by Hilcorp to the Trust, inclusive of sales revenues, production costs, capital expenditures, adjustments, actualizations, and recoupments. The Trust’s auditing process has also included detailed analysis of Hilcorp’s pricing and rates charged. As previously disclosed in the Trust’s filings, these revenues and costs (along with all costs) are the subject of the Trust’s ongoing comprehensive audit process by our professional consultants and outside counsel to ensure full compliance with all the underlying operative Trust agreements and evaluating all available potential remedies in the event there is evidence of non-compliance.
